BUDGET

**Strategic
Planning**

sometimes all you need...

...is a new perspective.

THE AMAZING POWER OF PERSPECTIVE

Change the internal filter you use to view a situation and the results can be staggering!

"The greatest tragedy for any human being is going through their entire lives believing the only perspective that matters is their own."

-Doug Baldwin

UNDERSTANDING THE WHY

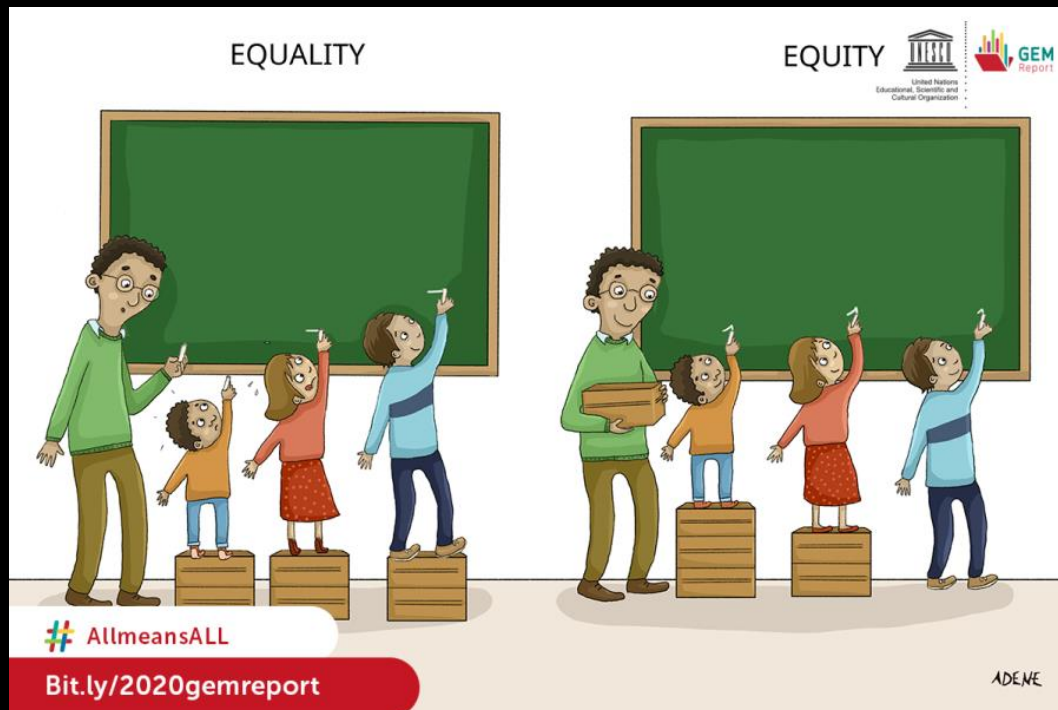

- Harmed Suburban Five
- Advocacy Work

A Thoughtful Balance- An Ethical Obligation

- Our successful fight to fund our schools and receive our fair share, was about providing students and teachers with the tools they need to be successful while delivering much needed tax relief for homeowners who are struggling. With the help of our parents, community, teachers, leaders, and students, districts received record levels of funding. We want our students to have outstanding, equitable opportunities AND we also want our communities to be reasonable places to live and raise a family. We want accountability, responsible spending, appropriate and strategic planning.

Harmed Suburban Five

District	Increase to tax levy 2021-2022	Proposed Increase to tax levy 2022-2023
Ossining	0%	0%
Port Chester	2.04% out of 2.04%	We have initially proposed 0%
Westbury	0%	0%
Riverhead	0%	1% out of 2.7%
Clen Cove	0%	1.8% out of 2.5%

Just the Facts- Are we budgeting to take all that we can get OR are we taking what we need and strategically planning for success?

Going to the tax cap, will mean a difference of \$500 (approximately) in the per pupil allocation

Simply adding staff and programs without a data informed plan has proven to be questionable

Going to the tax cap = 2.7 million dollars

Next year, the district budget will increase by 9.5 million dollars. By 2023-2024, the district budget will be approximately \$135-\$140 million dollars

COVID's Impact on students, staff and community

Rising costs of electricity

Per Pupil Spending Increased from (approx.) \$18,000 in 2016 to \$26,000 in 2023

The budget is increasing from \$116 million to \$126 million with a 0% tax levy increase

Understanding the Why

- To develop a budget that bolsters district programs, maintains adequate resources, and the support of the community
- To design and adopt a budget that recognizes the current fiscal reality for residents
- To develop a budget that seeks to identify and implement cost efficiencies in all areas as per ongoing fiscal planning

The background of the slide is a collage of financial and business-related illustrations. It includes a 3D bar chart with bars in orange, purple, red, green, and blue, with percentages like 30%, 70%, and 25% labeled. There's a 3D pie chart with red, blue, and green slices, with a 50% label. A line graph with a black line and data points labeled 02, 04, 06, 10, and 12 is visible. A brown pen with gold accents lies across the charts. In the bottom right, a notebook page is open, showing the word 'Budget' written in large, bold, black cursive letters, underlined with a red line.

Budget

“The coronavirus disease (COVID-19) led to many lifestyle changes and economic hardships for families with young children.”

- With more than 70 % of Port Chester students eligible for free and reduced lunch, the District is considered a high needs district. That means that, our fiscal responsibility includes the ethical obligation to discuss the economic reality for ALL, including those families who do not speak out.

The difference is smart spending....

Tonight- We have an opportunity
Covey illustrates the point that two people can disagree and both be right with an illustration similar to this one:

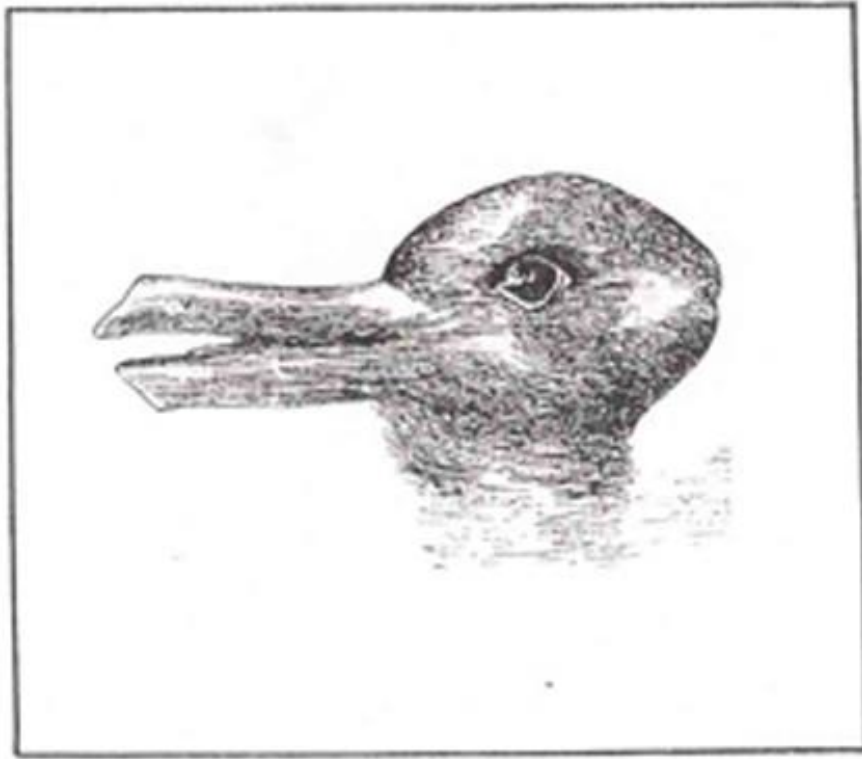

FIG. 20.—Do you see a duck or a rabbit, or either? (From Harper's Weekly, originally in Fliegende Blätter.)

- Synergistic communication means that $1+1$ may equal 8, 16 or even 1,600. The situation produced is better than any originally proposed.
- Covey says that even if there are circumstances in which synergy is not achievable and “No Deal” isn’t viable, the spirit of sincere trying will usually result in a more effective compromise.
