

# Psychological First Aid Training (PFA)

offered by the

Rockland County Voluntary Organizations Active in Disaster (RCVOAD)

Join us for a virtual PFA training with Brandon Beachamp, Director of Satellite Services & Community Outreach at the Mental Health Association of Rockland. PFA is an evidence informed approach to help children, adolescents, adults, and families in the immediate aftermath of disasters and emergencies. Individuals affected by a disaster or traumatic incident, whether survivors, witnesses, or responders to such events, may struggle with or face new challenges following the event. This training is open to the general community, as well as clinicians, and is an excellent training for any individual who might be called upon to be involved in a traumatic event.

**Tuesday, February 2, 2021**

**9:30 a.m. – 11:30 a.m.**

**RSVP to [RCVOAD@uwrc.org](mailto:RCVOAD@uwrc.org)**

Once you register, a link for the program will be sent to you.

The RCVOAD is a program of the United Way of Rockland. It is a coalition of 40+ groups that plan, coordinate and implement disaster preparedness and response, and identify and respond to unmet needs.
