

Your child needs to keep reading **every day**. If you don't have books at home there are many websites to get books free online.

My favorite site is this FREE online library website: [Welcome to Open Library | Open Library](https://openlibrary.org/) at <https://openlibrary.org/>

You can borrow up to 10 books at a time!

All students have a current reading level. If your child does not remember their level, please ask your teacher. Read books on their level and try reading a challenge book from the next level.

Click on the level to see a list of book titles in that level:
