What We're Learning

Reading/Writing: Our students have been introduced to the letters R, Z, I, N, W, P, H, M, A, B, K, D, F, O, C, E, Y, G, T, S. We have learned about the sounds each of these letters make and things that begin with these letters. This month we will learn about the letters J, U, L and V. We continue to work on writing letters and working on writing our names.

Math: We will introduce subtraction, the subtraction sign (-) and the concept of "taking away". Students will use manipulatives to learn about subtraction and taking away from a group items.

Science: We will finish our Water Interdisciplinary Unit and begin our Plant unit. During our Plant unit we will observe and explore different types of plants and how plants are a part of our lives. We will learn the parts of plants, the plants we eat and understand what plants need to grow.

Social Studies: We are creating a caring learning environment with the Sanford Harmony Curriculum. We are learning to communicate and cooperate through fun activities and stories from our alien friend "Z". We are learning to recognize feelings and how our friends feel in social situations.

Color/Shape: This month, we will focus on the color White and the shape Star.
