Dear PRHS Community:

Please note that since Friday (1/8/21) evening, we were notified of three (3) additional new positive test results for COVID-19 involving Pearl River High School students and one (1) new positive test result involving staff. As a result of communication with the Rockland County Department of Health, it has been determined that since these individuals have not been on the school campus since prior to November 24, 2020, no additional action is necessary at this time. We continue to work with the Rockland Department of Health regarding needs related to contact tracing. Please continue to practice social distancing and proper hygiene protocols such as washing your hands and wearing masks, as Covid-19 remains a threat to our community.

We know you join us as we wish these individuals a speedy recovery.

Contact us at (845) 620-3800 if you have any concerns or questions.

Please be well and stay safe.

Sincerely,

Michael J. Murphy
