Open Houses

*December 17, 2020
5PM - 6:30PM

*December 19, 2020
12PM - 1:30PM

*December 22, 2020
5PM - 6:30PM

About us

All T&P students will equitably master AVID strategies in culturally responsive contexts challenging them to collaborate, think, and write for, college and career readiness. We engage students in WICOR strategies and ASFI (Analyzing a prompt, Selective and purpose driven reading, Focused Note Taking, Integrating sources into texts) skills across all content areas.

Intramural Sports PSAL

College and Career Readiness

Our students are introduced to college and career pathways from the very first semester at T&P. We offer all students and families the opportunity to engage in college field trips, college seminar workshops and college application workshops.

We are a Community School

What is a Community School?

A Community School is a partnership between school staff, families, youth and the community to raise student achievement by ensuring that children are physically, emotionally and socially prepared to learn. A Community School serves as a center of the neighborhood by providing access to critical programs and services like health care, mentoring, after-school programs, adult education and other services that support the whole child, engage families and strengthen the entire community.

AT THE HIGH SCHOOL FOR TEACHING AND THE PROFESSIONS WE HELP STUDENTS TO:

Learn...

from highly skilled, caring and dedicated teachers in a welcoming small school setting where they'll always receive personalized attention.

Explore Ideas...

through classroom instruction, internship and community service opportunities, pre-teaching and a variety of after-school activities and clubs.

Challenge student thinking...

with Next Generation Standards, full foreign language sequence and Advanced Placement Courses.

Earn college credit early...

through our partnerships with College Now & CUNY

What do we provide as a Community School?

- ☒ A welcoming environment for everyone, even during after school hours, with a focus on turning the school into a hub of community activity.
- ☒ Our school offers a full health clinic managed by Montefiore Medical Center. Services offered include: physicals, dental care, mental health services, wellness center, parent workshops and after school programs for students and family.
- ☒ Our school offers counseling, mentoring, adult education classes and job training for both students and families.
- ☒ We offer after school programs such as adult yoga in our brand new swimming pool, lifeguard training for students and adults, movie night for families and lots more!
