Forms will be accepted along with the  
registration fee of \$165, through Nov. 27, 2018.

Late registration fee will be \$200.

Any sessions missed by students  
will not be rescheduled.

FALL 2018  
**SAT MATH PREPARATION COURSE**

Dates:        Tuesdays and Thursdays  
                  Nov. 29, Dec. 4, 6, 11, 13 & 18  
Times:        3-5 p.m.  
Location: Delone Catholic High School (Room 17)

**Information**

The SAT test includes questions based on material learned in **Geometry, Algebra I** and **Algebra II**. It would be most beneficial for students to have completed (or nearly completed) at least two of these courses before taking this prep course.

This six-day course reviews the necessary skills assessed as important to the Math portions of the New SAT. In addition, participants will have the opportunity to become familiar with the New SAT format through sample questions and practice. Participants are strongly encouraged to attend each session and do the homework that is suggested.

**Course Objective**

At the conclusion of this course, participants should be:

- Familiar with the New SAT format;
- Able to read and interpret mathematical instructions;
- Able to read and understand what is presented;
- Able to approach the New SAT with more confidence, and
- More prepared to successfully complete the New SAT.

**NOTE: Please bring a calculator to all classes.**

## FEE

The fee for this program, which covers the cost of instruction and the workbook, is \$165.

The late registration fee is \$200.

Payment may be made by cash or check.

Please, make checks payable to David Staub.

## WORKBOOK

SAT Mathematics Prep workbook will be provided. It contains many examples of the types of questions that will be on the SAT. Students will review many of these problems during class, but are also strongly encouraged to complete more of them while at home between sessions.

Any questions that arise can then be addressed at the next session. This provides a strong learning experience.

## REFUND POLICY

Refunds will only be given up to one week prior to the start of each session.

Please Note:

The course may be cancelled if there are less than three students who register by Nov. 27, 2018.

## FURTHER INFORMATION
