The ingredients are sugar, corn syrup, water, food coloring, peppermint extract, and the special ingredient. The secert ingredient is a pink flower that will turn the candy cane red.

Lucy and Lucas looked in the pantry and all the ingredients were gone. The special ingredient was missing too. When they didn't see the ingredients Lucy was sad and Lucas was worried because they wanted to bring there treat to school.

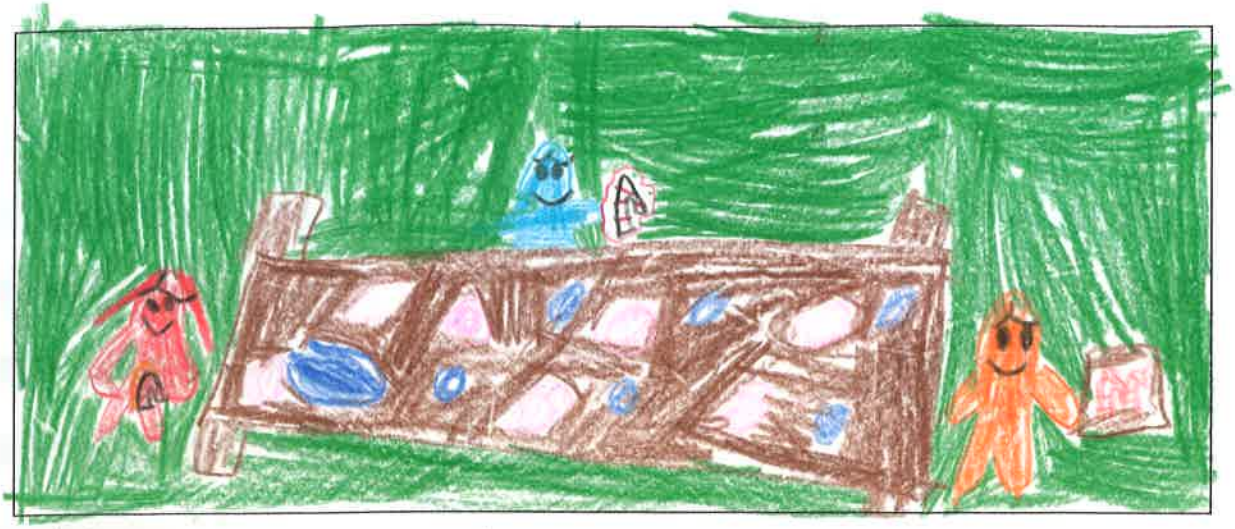

Then they went knacking on peoples doors in Candy Cane Land to see if they had the missing ingredients. Mike was the last house they went to.

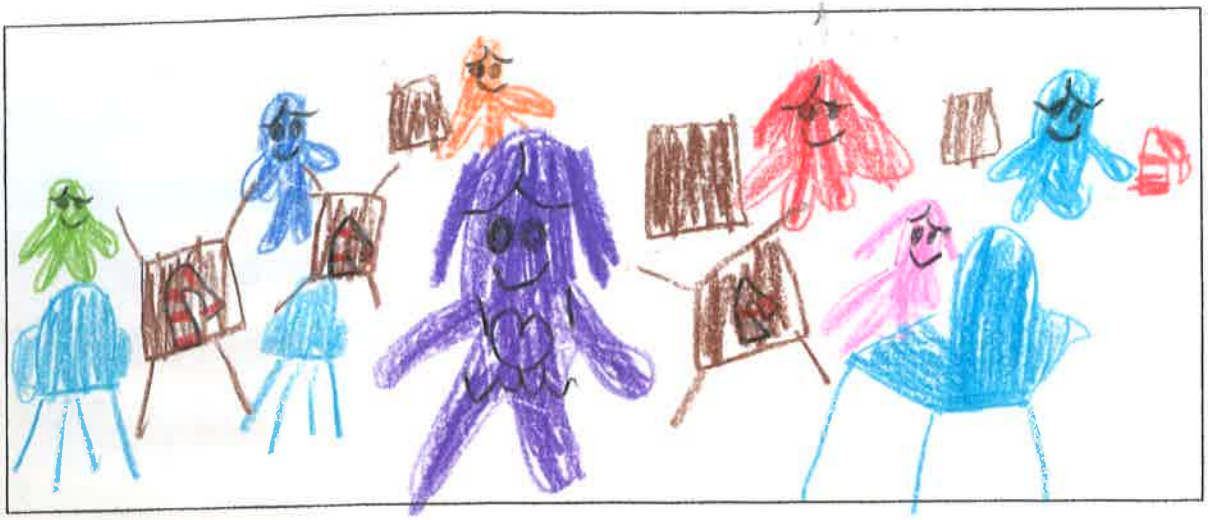

He opened the door and they asked, "Mike do you have our ingredients and our special ingredient?" Mike said, "Yes I have your ingredients.

I have your ingredients because I wanted to make candy canes for school." Lucy and Lucas said," Can we make them together?" Mike said," Yes we can make them together."

They started making the candy canes with Mike. They put the special ingredients and the very special ingredient into a bowl and stirred the candy cane mix. Next, they shaped up the candy canes and put them in a box for school.

All the student enjoyed there candy canes. Ms. Mistletoe was proud of Lucy, Lucas, and Mike for working together.
