

# School City of East Chicago

Abrian Brown, Central High School Principal

March 2<sup>nd</sup>, 2021

Dear Cardinal Students and Parents,

The Career and Technical Education Return to Learn Plan was approved at the March 1<sup>st</sup> School Board Meeting. There are some important transportation and attendance guidelines that administration would like to share. Please read through this letter carefully so that you are aware of our policies and procedures.

Transportation will be provided to students for in-person CTE learning. Our transportation information can be found on the website. If a student has a morning CTE class, they will be picked up at 7:00 am and taken home at 10:50 am. If a student has an afternoon CTE class, they will be picked up at 10:30 am and taken home at 2:30 pm. All students will be required to wear masks on the school buses. Temperatures will be taken before students enter the building. Students will enter in through Door W if they take the bus to school. If a student walks to school or gets a ride from a parent, they will enter in Door A. Students will stay in the building, in the cafeterias, for their non-CTE courses if they are here in the building.

Students must attend these in person courses. The list of courses affected are listed below. Attendance is important to receive hands-on instruction, meet dual-credit requirements, and meet state standards. If a student arrives 30 minutes or later to school for their scheduled CTE class, they will be sent home. This is to minimize any class disruptions for teachers and students.

Required in-person CTE Classes:

- Radio/TV 1- Alexander (M102)
- Radio/TV 2- Alexander (M102)
- Graphic Design/Layout- Alexander (M102)
- Commercial Photography- Alexander (M102)
