

Step 1 - Go To **TeachHub** and log in using your DOE Email address (@nycstudents.net)

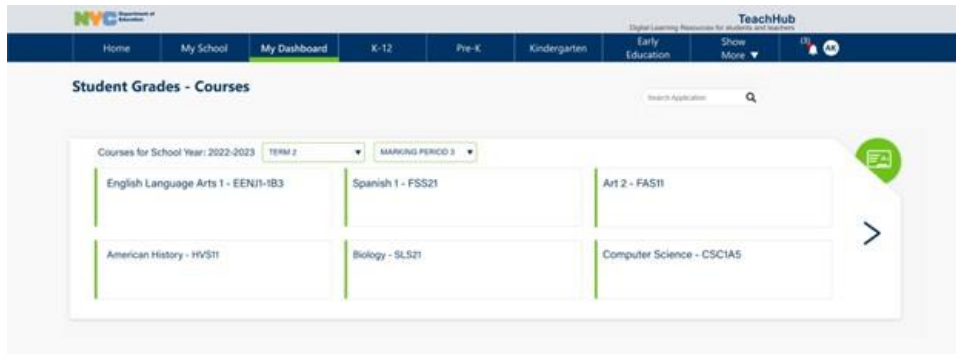

Step 2 - At the top bar select the **MyDashboard** Tab (second or third tab from the left)

Step 3 - Select the **Student Grades** card to begin.

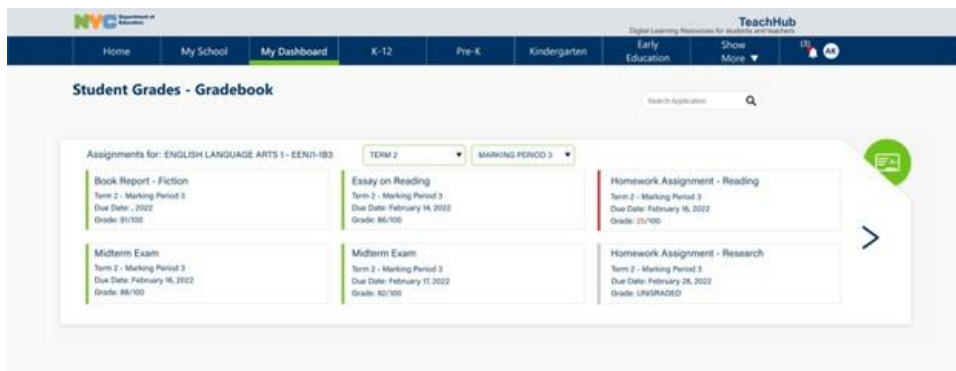

Step 4 - Your Courses for the school year will appear. You may view your grades by course and by marking period. Please select a course to get more information on your assignments/grades for that course.

Classes will be color coded to show at a glance the status of that student in that class.

- Green - Passing
- Red - Not Passing

Step 5 - You will see your grades for all assignments that have been assigned a grade and those that remain ungraded. Assignments will be color coded to show at a glance the grade you have received.

- Green - Passed
- Red - Not Passed
- Grey - Ungraded or no grades released

Note: You may search for grades by term or marking period in the drop down menu.
