Preliminary Smart Schools Investment Plan

NUFSD initial allocation: \$670,759.00

Expended: \$338,156.75
(\$306,745.00 Nanuet; 31,411.75 St. Anthony's)

Balance: \$332,602.25
(\$301,640.25 Nanuet; \$30,962.00 St. Anthony's)

Preliminary Smart Schools Investment Plan

Funds to be expended in two phases.

- Phase 1:
 - Technology to support the revision of the A. MacArthur Barr Middle School Media Center - interactive whiteboards, projection devices, electronic displays, Chromebooks and storage/charging carts.
 - Technology to increase learning opportunities for Nanuet Senior High School Students - Chromebooks and storage/charging carts for classrooms.

Preliminary Smart Schools Investment Plan

- Phase 1 (continued):
 - Technology to increase learning opportunities for students in all school buildings - replacement of broken interactive whiteboards and projection units in specific classrooms and learning areas.

PHASE 1 Completed Spring 2017

Preliminary Smart Schools Investment Plan

- Phase 2:
 - Technology to increase learning opportunities for Highview Elementary School and G.W. Miller Elementary School Students - Chromebooks and storage/charging carts for classrooms.
 - Technology to increase learning opportunities for students in all buildings - initial implementation of Interactive Video Display Units to replace SMARTBoards.

Preliminary Smart Schools Investment Plan

Capacity:

- ▶ School buildings possess sufficient connectivity infrastructure to ensure that devices can be used during the school day.
- ▶ Infrastructure meets the FCC's 100 Mbps per 1,000 students standard in buildings where devices are deployed.

Preliminary Smart Schools Investment Plan

Process:

- ▶ Board of Education approves Preliminary SSBA Plan
- ▶ Preliminary SSBA Plan is posted on Website for 30 days for feedback
- ▶ Board of Education Meeting is held to hear feedback (2 weeks prior notice to public)
- ▶ Board of Education approves Final SSBA Plan
- ▶ Final SSBA Plan is posted on Website
