Powhatan County Public Schools School Board Report

June 2022
Powhatan Elementary

Kids Heart Challenge was a great success during the month of February!! Students learned the importance of keeping our hearts healthy while jump roping in PE classes. Our school has raised over **\$7,313.88** for the American Heart Association, which surpassed our school goal. Many thanks go out to families for their generosity and supporting this worthy cause. The top individual earners and the students threw pies at the PE teachers (Mr. Daniels & Mrs. Woodson) & Mrs. Deal, Principal on Monday, 3/10/22, 3PM.

April and May were busy months filled with field trips for most of the grade levels. Kindergarten went on April 14 to Community Helpers and on May 19 went to the Metro Zoo. First grade students visited the Henricus Historical Park on April 27. May 6 students & staff in second grade visited the Maymont Nature Center. On May 13 students & staff in grade 3 went to the Science Museum. The fifth grade students & staff went to the Frontier Culture Museum on April 5 and visited Powhatan Middle School on May 4th.

Our Teacher of the Year is Erin Woodson, PE Teacher, and our Support Staff of the Year is Ashley Sloan, School Nurse. We are so fortunate to have them as a member of our POWES family.

Tuesday, May 31 Sodexo held a picnic with hamburgers/hot dogs and many other delicious foods for our fifth grade students and staff. With the help of fifth grade parents it was enjoyed by all.

We had thirty-three students meet the Read Across America challenge for their respective grade levels. Several students went above and beyond by reading ALL 50 books! It looks like we need to come up with some new books for all of the states for next year's challenge!

Field day this year was a great success! Students, staff and parents enjoyed this day together.
