Chapter 9 Assessment Page 1

Solve the subtraction problems.

1.

$$\begin{array}{r} 55 \\ - 29 \\ \hline \end{array}$$

2.

$$\begin{array}{r} 40 \\ - 8 \\ \hline \end{array}$$

3.

$$\begin{array}{r} 85 \\ - 17 \\ \hline \end{array}$$

4.

$$\begin{array}{r} 92 \\ - 8 \\ \hline \end{array}$$

5.

$$\begin{array}{r} 83 \\ - 46 \\ \hline \end{array}$$

6.

$$\begin{array}{r} 64 \\ - 17 \\ \hline \end{array}$$

7.

$$\begin{array}{r} 50 \\ - 25 \\ \hline \end{array}$$

8.

$$\begin{array}{r} 93 \\ - 28 \\ \hline \end{array}$$

9.

$$\begin{array}{r} 76 \\ - 46 \\ \hline \end{array}$$

10.

$$\begin{array}{r} 41 \\ - 29 \\ \hline \end{array}$$

11.

$$\begin{array}{r} 82 \\ - 16 \\ \hline \end{array}$$

12.

$$\begin{array}{r} 21 \\ - 3 \\ \hline \end{array}$$

13. Cory has 80 baseball cards in his collection. He framed 12 of them. How many of the baseball cards are not in frames?

- ☐ A. 72
- ☐ B. 68
- ☐ C. 92

14. Forest made 2 trips. The first trip was 35 miles and the second trip was 62 miles. How much longer was the second trip than the first trip?

- ☐ A. 33
- ☐ B. 60
- ☐ C. 27

Read the problems carefully and solve.

15. Morgan has 67 trees that he needs to trim. If he has already trimmed 35 of them, how many of them does he have left?

- ☐ A. 32
- ☐ B. 35
- ☐ C. 102

18. Marshall has 70 animals to feed at the zoo. He fed 24 animals on his first round and 24 more on his second round. How many more animals does he have left to feed?

- ☐ A. 22
- ☐ B. 28
- ☐ C. 52

16. Kinsey has 24 markers. 8 of them fell out of the box. How many markers are still in the box?

- ☐ A. 24
- ☐ B. 32
- ☐ C. 16

19. Nolan made 38 sandwiches. 12 of them are ham, 16 are turkey, and the rest of them are cheese. How many of the sandwiches are cheese?

- ☐ A. 28
- ☐ B. 10
- ☐ C. 12

17. Skip is addressing thank you notes. He has 50 notes to address. So far, he has done 33 of them. How many does he have left to address?

- ☐ A. 17
- ☐ B. 23
- ☐ C. 32

20. Kacie is making 72 cupcakes for the party. 15 of them are strawberry, 32 of them are chocolate, and the rest are vanilla. How many of the cupcakes are vanilla?

- ☐ A. 25
- ☐ B. 35
- ☐ C. 31
