

## Summer Reading Selections 2023

*The goal of summer reading is to foster a life-long habit of enjoying books of all types.*

We teachers want students to continue learning and growing over the summer break. To that end, we have created these assignments for students to complete before we return to school in the fall.

Completed summer reading assignments should be submitted to English teachers by Thursday, August 31, 2023. Summer reading projects are worth 5% of the first quarter grade.
