SENIOR ACTIVITIES NEWSLETTER

January 26, 2023

Dear Parents and Guardians,

We would like to take this opportunity to remind families of important senior incentive activities and dates. **Please keep in mind that all participation in incentive activities is contingent upon academic performance, behavior, and attendance and latenesses.**

ELIGIBLE STUDENTS

In order to be eligible to attend incentive activities, students *must meet all four requirements*:

- Passing grades in all MAJOR classes (ELA, Math, Science, Spanish)
- Maintaining strong attendance **including lateness**
- Demonstrating good judgment in behavior

INELIGIBLE STUDENTS

Students who meet any one of the following will automatically be *ineligible to attend at least one incentive activity*.

Students who meet multiple criteria are at risk from being banned from all incentive activities:

- 1 or more suspensions
Please note: Any student who receives a Superintendent's Suspension will automatically be ineligible to attend all incentive activities.
- Pattern of persistent absences or latenesses in between classes
- Pattern of persistent phone calls home regarding poor behavior
- Pattern of non-compliance with school cell phone policy including headphones and earbuds

Students who meet and/or exceed requirements will be invited to attend incentive activities, which include incentive field trips, stepping up ceremony, and the senior dance. Please refer to the table on the back of this letter for payment due dates as well as the scheduled events. Please remember that these payments are an **estimate** and are subject to change.

****Students will not be permitted to pay for senior trip or senior dance in advance - they must first receive an invitation before payment.****

Students who are ineligible for incentive activities may still be permitted to attend the stepping up ceremony, which is contingent upon promotion status.

If you have any questions, feel free to contact the school at 212.260.5375 or email Mrs. Cruz personally at ecruz54@schools.nyc.gov.

Thank you for your continued support!

Warmest regards,
The 8th Grade Team
