

Dear Future Fifth Graders,

We hope you enjoy your gift of Sideways Stories from Wayside School. Your teachers have taken time to choose a book for you to enjoy over the summer. As you read, please fill in the book log to keep track of your reading. When you have completed the short stories, ask to interview an adult in your family about their experiences in school. Fill out the interview form. Bring the completed interview form and reading log to school in the first week and receive a reward.

We look forward to discussing and doing some other fun activities in class this year based on Sideways Stories from Wayside School.

See you soon,

The Fifth Grade Team
