## 2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

### SCHOOL OVERVIEW

Summerville Elementary School is a kindergarten through eighth-grade school. Twenty-two certificated classroom teachers conduct learning on campus each day. The teaching team includes a Title 1 reading intervention program, three Special Education teachers, a full-time guidance counselor, an assistant principal, and a superintendent/principal. School operations are supported by a maintenance/custodial team, a cafeteria staff, and an office staff in both the central school office and the district office. The school also offers a free after-school program on campus, which is open until 6:00 p.m. Monday through Friday during the school year. The Title 1 program employs one full-time teacher and one part-time paraprofessional. The staff is also supported by a mental health clinician for one day a week staff from the Tuolumne Me-Wuk Indian Health Center. Twelve part-time instructional aides work with Special Education children, six part-time instructional aides support students in the regular education classrooms, and one Indian Education Coordinator with one Indian Education Paraprofessional. The school also coordinates with an educational support facility located on the Tuolumne Me-Wuk Reservation. One instructional aide from the Blue House visits and observes classrooms with students to help support students who receive educational support from the Blue House.

The school offers many different educational programs to meet the needs of our students. Many children get supplemental help during and after the school day. Among these programs are Title 1, Speech and Language services, art, adaptive physical education, a library, and a computer lab. After School Remediation, Title VII (Indian Education) tutoring and tutoring/homework help is provided to students enrolled in the After-School Program. The school seeks to serve students in many different ways.

### SUMMERVILLE ELEMENTARY SCHOOL DISTRICT MISSION STATEMENT AND GOALS

The Summerville Elementary School District's mission is to provide each student with the opportunity to acquire knowledge and skills, an attitude of respect for self and others, and a continuing desire for personal growth.

### GOALS

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Permits and Waivers	0.00	1.80
Misassignments	0.20	0.20
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	0.20	2.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	0.00	0.00
Total Out-of-Field Teachers	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Class Assignments

Indicator	2020-21	2021-22
<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	0
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	5.2	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

## 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Summerville Elementary held a public hearing on September 13, 2022, and determined that the school had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and instructional materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of the teachers and principal. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in September 2022 about the quality and availability of the standards-aligned textbooks and other instructional materials used at the school. . More information about future textbook adoptions will be posted later this school year.

## School Facility Conditions and Planned Improvements

Summerville Elementary was originally constructed in 1906 and is comprised of 25 classrooms, a gym, a multipurpose room/cafeteria, a library, a staff lounge, a computer lab, and playgrounds. In 2019, the district used Proposition 39 funds to replace a number of HVAC units and upgraded the outdoor and classroom lighting with LED bulbs. Future campus renovation is a goal of the school leadership team.

### Cleaning Process

The maintenance and operations director works daily with the custodial and maintenance staff of 4 (2 full-time and 3 part-time employees) to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for the school and all other district sites. A summary of these standards are available at the district office for review. All standards have been modified and adapted to meet the cleaning and sanitation requirements as outlined by the California Department of Health and CalOSHA. More information about these standards can be found in the District's Fall 2020 Education Plan posted on the District Website.

### Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service. The highest priority is given to emergency repairs. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation. Deferred Maintenance Budget The district participates in the State School Deferred Maintenance Program, which provides matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically this includes roofing, plumbing, heating, electrical systems, interior or exterior painting, and floor systems.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
English Language Arts/Literacy (grades 3-8 and 11)	46	42	46	42	47	46
Mathematics (grades 3-8 and 11)	33	27	33	27	33	34

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2023-24 Opportunities for Parental Involvement

An important aspect of Summerville Elementary School's operation is the involvement of the parents and the local community. Teachers, staff, and administration maintain an "open door" policy. Parents and community members interested in assisting at school are always welcome. Last year, volunteers logged over 4000 hours working with students. Many other volunteer hours were invested in supporting our students that were not recorded. We continue to ask for and appreciate volunteers. The administration would also like to acknowledge the special work done by the School Site Council, the Summerville Elementary Indian Education Parent Committee, and the Summerville Parent Teacher Student Association (PTSA).

##### Contact Information

Parents or community members who wish to participate in leadership teams, school committees, and school activities or become volunteers may contact Summerville Elementary at 209-928-4291.

## 2023-24 School Safety Plan

The safety of students and staff is a primary concern of Summerville Elementary. The school and district are always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan was last reviewed and updated in March 2023 by the School Safety Committee and approved by the Governing Board. All revisions were communicated to both the classified and certificated staff. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster.

Fire, disaster, and shelter-in-place drills are conducted on a regular basis throughout the school year. Students are supervised before and after school by certificated staff and classified staff. Classified staff and the principal supervise students during lunch. Certificated staff and classified staff help with supervision during lunch and break periods. There is a designated area for student drop-off and pick-up. Visitors are required to sign in at the office during school hours.

Professional Development

Staff members build teaching skills and concepts by participating in conferences and workshops throughout the year, then sharing their experiences and knowledge with district colleagues. Staff Development in 2022-23 offered training time for teachers centered around department and grade-level collaboration. Training and professional development support this year has been provided in the following areas: Positive Behavior Interventions and Supports (PBIS), Response to Intervention (RTI), Social-Emotional Learning Support (SEL), technology integration and application support, special education (i.e., Autism and dyslexia), and Common Core Standards and Effective Teaching Strategies. Prior to the start of the 2022-2023 school year, teachers in grades K-5 received follow-up support and training in the use of the Next Generation Science Standards and the newly adopted science curriculum.

This table displays the number of school days dedicated to staff development and continuous improvement.
