January 5, 2021

Dear Parents of PRHS Students,

Please note that Mr. Hoetzel and additional staff members remain determined in their efforts to produce a drama production in which students can showcase their skills and abilities. The planned production will center around a number of works from William Shakespeare. Given the limitations and restrictions as related to the DOH and CDC guidelines, this endeavor brings about a number of challenges. Mr. Hoetzel and I have had numerous discussions which span topics such as the scope of participation (student opportunities), rehearsals, production needs, and much more. Those of you who know Mr. Hoetzel and our other drama advisors are well aware that they consistently and without reservation act in a way that promotes student opportunity to be involved as they look to facilitate student development of skills in the dramatic arts.

If your child would like to participate in this year's dramatic arts production, please see the announcement below and have your PRHS student indicate their interest by responding using the link provided. Please note that if interested a response is required by January 12, 2021.

We are excited and thrilled to offer this opportunity to PRHS students.

PRHS Drama Production Call For Participants:

All students who are interested in participating in our drama department production should complete the form at bit.ly/prhsshakespeare. Actors, crew members, and musicians are all welcome. If you have any questions, please contact director Thomas Hoetzel at prhsdirector@gmail.com or hoetzelt@pearlriver.org.

Sincerely,

Michael J. Murphy
Principal
