## School Accountability Report Card

### Reported Using Data from the 2016-17 School Year

#### Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## School Description and Mission Statement (School Year 2017-18)

### SUMMERVILLE ELEMENTARY SCHOOL DISTRICT MISSION STATEMENT AND GOALS

The mission of the Summerville Elementary School District is to provide each student with the opportunity to acquire knowledge and skills, an attitude of respect for self and others and a continuing desire for personal growth.

#### GOALS

##### 1. School Environment

- Positive, non-threatening environment with consistent discipline,
- Students will learn the value of respecting oneself, each other and authority (life skills),
- Pro-active interventions for at risk students,
- Strive for optimum class sizes.

##### 2. Curriculum and Assessment

- The use of the California State Standards will guide the teaching of the district-adopted curriculum, assessment tools and use of technology in the classroom.
- Standardized curriculum to ensure readiness of students to meet high school entrance requirements,
- Students will meet eighth grade proficiency standards for graduation.

##### 3. Coordination of School District and Community

- Articulation and coordination of curriculum with other county schools, as well as the State of California,
- Volunteerism – students volunteering in the community and on campus
- Recruit and encourage business and professional interaction with the school district.

#### School Profile

Summerville Elementary School is a kindergarten through eighth grade school. Twenty-one certificated classroom teachers, a Title 1, two Special Education teachers, a principal, support and maintenance workers staff the school. There is also a free after school program on campus which is open until 6:00 p.m. In 2016-17, the Title 1 program employed one full-time teacher and one part-time paraprofessional. The staff also included: a school counselor for one day a week, five part-time instructional aides, who work with Special Education children, three part-time instructional aides in the regular education classrooms, and one Indian Education/Title 1 instructional aide.

The school offers many different educational programs to meet the needs of our students. Many children get supplemental help during and after the school day. Among these programs are Title 1, Speech and Language services, art, adaptive P.E., a library and a computer lab. Title VII (Indian Education) tutoring, after school remediation, and tutoring/homework help is provided to students enrolled in the After-School Program. As you can see, we seek to serve our students in many different ways.

**A. Conditions of Learning****State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

**Teacher Credentials**

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

Year and month in which data were collected: 09/2016

Summerville Elementary held a public hearing on August 15, 2016, and determined that the school had sufficient and good quality textbooks, instructional materials or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and instructional materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of the teachers and principal. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in August 2015 about the quality and availability of the standards-aligned textbooks and other instructional materials used at the school.

Subject	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy

### School Facility Conditions and Planned Improvements (Most Recent Year)

Summerville Elementary was originally constructed in 1906 and is comprised of 25 classrooms, gym, multipurpose room/cafeteria, library, staff lounge, computer lab, and playgrounds. Last year, the district used Proposition 39 funds to replace a number of HVAC units and upgraded the outdoor and classroom lighting with LED bulbs.

**Cleaning Process:** The Superintendent works daily with the custodial and maintenance staff of 4 (2 full-time and 2 part-time) to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards are available at the district office for review. Maintenance and Repair District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and highest priority are given to emergency repairs. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation. **Deferred Maintenance Budget** The district participates in the State School Deferred Maintenance Program, which provides matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically this includes roofing, plumbing, heating, electrical systems, interior or exterior painting, and floor systems. For the 2016/17 school year the district allocated \$28,600 for deferred maintenance program.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts/Literacy (grades 3-8 and 11)	48	43	48	43	48	48
Mathematics (grades 3-8 and 11)	37	33	37	33	36	37

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

#### CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2016-17)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	269	260	96.65	43.46
Male	151	149	98.68	37.58
Female	118	111	94.07	51.35
American Indian or Alaska Native	29	27	93.1	51.85
Hispanic or Latino	50	48	96	39.58
White	165	161	97.58	43.48
Two or More Races	21	20	95.24	50
Socioeconomically Disadvantaged	135	127	94.07	38.58
Students with Disabilities	41	36	87.8	13.89

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group**  
**Grades Three through Eight and Grade Eleven (School Year 2016-17)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded

Socioeconomically Disadvantaged	135	127	94.07	27.56
Students with Disabilities	41	36	87.8	5.56

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students**  
**Grades Five, Eight, and Ten**

Subject	Percent of Students Scoring at Proficient or Advanced					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
Science (grades 5, 8, and 10)	61	73	61	73	60	56

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

**State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

**California Physical Fitness Test Results (School Year 2016-17)**

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	7.5	15	57.5
7	11.8	8.8	64.7

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### Opportunities for Parental Involvement (School Year 2017-18)

An important aspect of Summerville Elementary School's operation is the involvement of the parents and the local community. Teachers, staff and administration maintain an "open door" policy. Parents and community members interested in assisting at school are always welcome. Last year, volunteers logged over 4050 hours working with students. Additionally, we know that many other hours were spent and were not recorded. We continue to ask for and appreciate volunteers. The administration would also like to acknowledge the special work done by the School Site Council and the Parent Teacher Student Association (PTSA).

#### Contact Information

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact the Summerville Elementary at 928-4291.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### Suspensions and Expulsions

Rate	School			District			State		
	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17
Suspensions	5.0	5.3	7.1	5.0	5.3	7.1	3.8	3.7	3.6
Expulsions	0.0	0.0	0.0	0.0	0.0	0.0	0.1	0.1	0.1

#### School Safety Plan (School Year 2017-18)

Safety of students and staff is a primary concern of Summerville Elementary. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan was last reviewed and updated by March 2017 by the School Safety Committee. All revisions were communicated to both the classified and certificated staff. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster.

Fire and disaster drills are conducted on a regular basis throughout the school year. Lockdown drills are held twice a year. Students are supervised before and after school by certificated staff and classified staff, and classified staff and the principal supervise students during lunch. Certificated staff and classified staff help with supervision during lunch and break periods. There is a designated area for student drop off and pick up. Visitors are required to sign in at the office during school hours.

**Average Class Size and Class Size Distribution (Elementary)**

Grade Level	2014-15				2015-16				2016-17			
	Avg. Class Size	Number of Classes			Avg. Class Size	Number of Classes			Avg. Class Size	Number of Classes

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

**Professional Development (Most Recent Three Years)**

Staff members build teaching skills and concepts by participating in conferences and workshops throughout the year, then sharing their experiences and knowledge with district colleagues. Staff Development in 2016/17 offered training for teachers in the following areas: New English Language Arts curriculum from Houghton Mifflin and McGraw Hill, technology Integration and application support, special education (i.e., Response to Intervention and Autism), and Common Core Standards and Effective Teaching Strategies.
