Principal Cool's Report:

The bucket-filling assembly and bus race initiatives are going well and we are seeing a positive response in the students. All in all we are settling in. All the children have been getting their library visits with our new librarian Ms. Valerie Mui, and taking out books. The school was issued a \$500 grant from Verizon to purchase "lockboxes" for Breakout EDU activities, where the students participate in a series of activities to solve clues and unlock boxes leading to a final prize. Upcoming events include our Halloween Door Tour with Magician, our fire prevention assembly with fire and safety drills, and a Stephen's Puppets assembly. At the November meeting, Mrs. Cool will be speaking about the new, as well as some revised, NYS learning standards for the various curriculum areas.

Treasurer's Report:

In August the PTA gave a \$500 college scholarship to a former Lincoln student, and made a \$100 donation to a family in need. The "Night at the Boulders" fundraiser raised \$600, which was matched by Palisades Credit Union for a total of \$1212!
