

Pearl River School District

Kindergarten Registration for 2023-24

The Pearl River School District has opened online registration for incoming kindergartners for the 2023-24 school year. In addition, please mark your calendars for kindergarten screenings & an in-person information session for parents as follows:

- Screenings: May 8th, 9th, 11th & 18th (with your child)
- In-Person Information Session: June 12th at 6:30 PM (for parents)

Details regarding scheduling a screening appointment, as well as the in-person information session, will follow at a later date.

Children must be five years old on or before December 1, 2023 to be eligible for admission to kindergarten in September 2023. A birth certificate or other official documentation providing date of birth, a copy of the most recent health examination with a record of immunizations and two (2) proofs of residence within the Pearl River School District are required as part of the registration process. Out-of-district students are not eligible.

To complete your online registration, visit the Pearl River School District website at www.pearlriver.org under “District News”. If your child has already been registered for CPSE Services, Universal Pre-K, or was registered last year for kindergarten but did not attend, you should not fill out an online application. Instead, please call the registration office at 845-620-3913 to discuss the procedure for registering your child without an online application.

In order to plan and provide for all new students, it is especially important that the district identify all children expected to enroll in September. Pearl River's three elementary schools ~ Evans Park, Franklin Avenue, and Lincoln Avenue ~ accommodate students in grades kindergarten through four. Enrollment is assigned across all three schools. School assignment will depend on class size, special education and ENL programming. Families will be notified regarding building assignments in the summer.

For additional information and to begin the registration process, please visit our district website: www.pearlriver.org
