

YOUGH SCHOOL DISTRICT

Mission Statement:

Developing a respectful, responsible, and resilient educational community.

Vision Statement:

The Yough School District fosters innovative opportunities to provide educational experiences. By engaging family and community partners, we prepare our students to become successful members of our ever-changing world.

Shared Values

Built upon yesterday, with a focus on today, while preparing for tomorrow, we believe:

1. A safe, caring, and healthy school environment is essential for learning.
2. Education is a shared responsibility of the students, families, district, and community.
3. A challenging, authentic, educational experience is created through the use of technology and social and emotional learning.
4. Empowered students become productive contributors to society.
5. Cultivating a learning community promotes productivity and growth of all students.
6. All decision-making will be in the best interest of the students.
