We all know
that continuing
to practice

Social Distancing is the key to beating COVID-19

We at CC/NHCF also realize that this practice certainly limits the ability of guidance counselors and students to have meaningful contact and discussions with college/university admissions staff. As with our regular College Fairs we have the ability to connect you with college admissions counselors from around the country.

We are very excited to invite you to sign up for access to our
FREE ONLINE COLLEGE DIRECTORY.

Here's how it works:

Students, Counselors and Parents go to ►► www.collegefair.info

- 1) To register for access to our **Free Online College Directory**. The registration process is brief and should only take a minute to complete. Your information is totally secure and will not be shared with a third party.
- 2) Once you are registered you will have access to our Directory. You now have the ability to connect with admissions counselors via email, phone calls or text. You can arrange your own future meetings, virtual tours or attend web sessions.
- 3) The number of Colleges and Universities that join our Directory can increase almost daily.
- 4) You will receive notices when new institutions come onboard. You will also be notified if a college or university has some type of special event or opportunity.

We know that this is the time of year that current juniors and even sophomores are beginning their college search process. The limited travel restriction has certainly put a damper on college fairs and visits. We hope our **Free Online College Directory** will help you.
