October 2018

Dear Parents:

During the week of November 12-16, Evans Park Elementary School will join schools nationwide in celebrating the 97th annual *American Education Week*. We will host *Parents' Day* on Tuesday, November 13th. Our plans are designed to spotlight an aspect of the work your children engage in each day and highlight the importance of parental involvement in a child's education.

Our *Parents' Day* will include activities for each grade level; the times for those are listed below, along with a link for your response. Only parents who have registered in advance may attend; please complete the response form on or before November 8th. Strollers and younger siblings are often a distraction; please arrange to attend without them.

We look forward to your participation and hope to see you on November 13th.

Sincerely,

Peggy Lynch
