

March 2019

Dear Parent or Guardian,

Neeta School is participating in Pennies for Patients, a service learning program that helps raise critical funds for The Leukemia and Lymphoma Society (LLS), the world's largest nonprofit fighting blood cancer. Did you know that breakthroughs in blood cancer research are now being applied to other kinds of cancers and serious diseases?

Students in grades 3-8 are encouraged to bring in **spare change** to help support this charity. If our school raises \$750 or more, the class with the most donations will win an Olive Garden Pasta Party!

Our campaign will run from March 18- April 5

Thank you for helping LLS create a world without blood cancer.

Sincerely,

Neeta School National Junior Honor Society

HEROINKILLSNJ

Open Forum with a Panel Discussion.

With the ongoing addiction crisis, which includes opiates, alcoholism, mental health & self-harm, we need to educate ourselves to help prevent our loved ones from making bad choices that can lead to a devastating disease. If a loved one is suffering from addiction, we need to be educated on steps we can take to not only help the addict, but also ourselves.

Come join us for an open forum with a panel discussion. Hear from individuals in recovery, family members affected by their loved one's addiction, Sober Living representatives, Medical and Clinical representatives, 3DK-9 which is a Detection Service and from the founder of HeroinKillsNJ, Tom "Redneck" Clark who will explain HKNJ's mission.

INTEGRATIVE HEALTH FAMILY EDUCATION DAY

Integrative Approaches to Pain Management

Join us for this half-day symposium for adolescents, parents and caregivers to learn about integrative approaches to pediatric pain management.

SUNDAY, APRIL 7, 2019
Noon — 5 p.m.

Ruth and Tristram Colket, Jr. Translational
Research Building on the Raymond G.
Perelman Campus
3501 Civic Center Blvd.
Ground floor conference rooms
Philadelphia, PA 19104

*Complimentary parking will be available in the
Buerger Center for Advanced Pediatric
Care garage.*

Today, many families are looking for a comprehensive approach to health and wellness. Integrative healthcare focuses on the whole child, not just on disease prevention and treatment. Incorporating complementary care (such as mindfulness, aromatherapy, acupuncture, etc.) with traditional medical management has been proven to reduce stress, speed healing and improve functioning.

Using a variety of treatment approaches allows adolescents to identify which strategies are most effective in managing their pain, as caregivers learn how best to support their child's efforts.

REGISTRATION INFORMATION

There is a non-refundable registration fee of \$10 per family. Registration is required for each member of the party who will attend. There will be no childcare available, so **this event is restricted to attendees 12 years and older**. Snacks will be provided.

If the registration fee causes a financial burden, please email integrativehealth@email.chop.edu.
Kindly RSVP by Monday, March 25, 2019 at integrative-health.eventbrite.com.
