Polar Bear

I live in the north pole.

I am very dangerous.

I swim why I hold my breath.

I eat walruses.

My fur is as white as snow.

My Cat

I have a cat
that likes my bat.

He has a hat.
He lays on a mat.
He is kind of fat.
He likes to chat.

My cat eats rats,
His toy is flat.
He takes a bath.
He walks a path.
He does math,
He likes to laugh.

Yellow

It tastes like a banana.

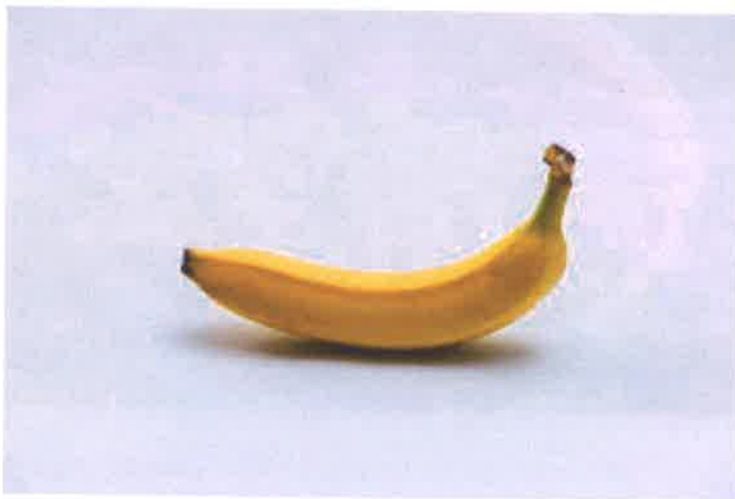

Yellow smells like tape.

It sounds like a car.

Yellow feels like a marker.

It looks like the sun.

Yellow makes me be kind.

Red

Red is cool
Red taste like soup
Red smells like strawberries
Red sounds like a cherry
Red feels good for me
Red looks kind of like orange
Red makes me be nice
Red is really good
