Dear Parents,

Congress enacted a federal education act, “No Child Left Behind” Act (P.L. 107-110, United States). The law changes some requirements of the Elementary and Secondary Education Act (ESEA). Schools are now required to provide basic student contact information (names, addresses, and telephone numbers) to military recruiters upon request. Parents, however, may request that this information be withheld.

If you do not want basic contact information released for your child or children, this legislation requires that you notify the school in writing. The letter should be sent to:

Guidance Department
Pearl River High School
275 East Central Avenue
Pearl River, New York 10965

If you have already responded, there is no need to do so again.

Sincerely,

Guidance Department
Pearl River High School
