World Language Proposed Course Options

- **French**
- **Latin**
- **Spanish**

- **Please note: Courses are scheduled based on the course selection process. It is possible that all languages listed here may not be offered based on the enrollment of the course.**
- **In addition, students who are registered in low enrolled courses may have limited options for music.**

World Language Skills

- We support the development of the four skills in learning a world language:
 - Listening
 - Music, conversations, audio comprehension, immersion instruction
 - Speaking
 - Dialogues, partner work, question and answer
 - Reading
 - Comprehension passages, news articles, authentic texts
 - Writing
 - Start with a sentence and grow to paragraphs, create short books or stories
- Students learn about the culture of the different countries where the target language is spoken
- They study holidays, taste foods, and compare cultures of the US and other countries

JJMS Music

- Choir
 - Discovering Music
 - Band*
 - Orchestra*
-
- *This course provides students with lessons in addition to the regularly scheduled period.

6th Grade Music Options

Choir

- ☐ For students who love to sing
- ☐ Students sing a variety of musical genres and languages, learn music theory and history, and learn to read music using solfege syllables
- ☐ All Choir students showcase skills in two evening concerts
- ☐ Students are assessed individually on concert music and music notation, every trimester

Discovering Music (Music Technology)

- ☐ For students who would like to use technology to compose and perform music
- ☐ Students will use *GarageBand* and *Finale* to create music for multiple purposes including academic presentations, public service announcements, movie soundtracks, and holiday celebrations.
- ☐ Music Technology students will create digital portfolios to showcase their work.

6th Grade Music Options

Band

- ❖ For students who wish to continue study on their band instrument
- ❖ Students are assessed individually throughout the year on concert music, etudes, rhythms and scales

Orchestra

- ❖ For students who wish to continue study on their string instrument
- ❖ Students are assessed individually throughout the year on concert music, etudes, rhythms and scales
- ❖ Band and Orchestra develop skills through experience with a variety of musical pieces
- ❖ Band and Orchestra students showcase skills in two evening concerts

We recommend that all Band and Orchestra students remain in the same performance area when transitioning to the middle school.

Lessons

- ❑ Students are assigned 8 lessons in a 12 week trimester. In most cases, students only miss the same class one time per trimester when attending their weekly required lessons. Lessons rotate just like in Elementary School.
- ❑ Lesson make-ups are available weekly after school or by appointment.
- ❑ Lessons offer an opportunity to focus on work that cannot happen in the larger ensemble setting:
 - Students work on individual technique specific to their instrument, one-on-one with the teacher
 - An opportunity for students to meet in sections to work collaboratively on their repertoire
 - Individualized assessment during lessons on scales, rhythms, and repertoire
 - Lessons offer an opportunity for differentiated instruction as students work on skills beyond grade-level repertoire

The Counseling Center

Welcome to John Jay Middle School!!!

- Three-year journey of exploration
- An adventure for you as your child discovers who they are

Counselor's Role

- Help parent and child navigate the three years of middle school
- Serve as an advocate to support your child academically, socially and emotionally
- Present lessons in classes throughout the year to help get to know students, assess their transition, and help them understand and learn how to access their character strengths

Please don't hesitate to contact counselor via phone or e-mail if you have any questions or concerns. For specific academic questions, please contact your child's teacher or the team leader.
