

SHARING GOOD NEWS / PERMISSION FORM

KLSD is pleased to celebrate the accomplishments of our students. As a result, your child may be photographed, videotaped and/or interviewed by staff for the purpose of sharing news with the KLSD community. Student names and images may be included in KLSD yearbooks, on our websites, social media and e-newsletters, as well as in school-generated press releases that are sent to local media.

This form provides you with the opportunity to let us know if you *do not* wish your child to be included in such coverage.

I **do not** give permission for my student's name/photograph to be included in any media coverage including KLSD e-newsletters, websites, yearbook, social media and press releases.

☐

I give permission for my student's name/photograph to be included in the yearbook only.

Please note: Regardless of the choice you make below, be aware that participation on an athletic team or in an after-school performing arts program may lead to your child's photograph appearing in a local paper or on our website, with or without the child's name, as such events are open to the public.

I release the Katonah-Lewisboro School District, its officers, employees, agents and successors, from any and all claims, demands, actions, causes of action, suits, damages and judgments as a result of the use of the above information about my child in the publications and other activities described above. I am over the age of 18, have read the above information, I understand the conditions of the above agreement and will be bound by its terms on my behalf and on behalf of my child.
