

### What is 4-H?

4-H is delivered by Cooperative Extension—a community of more than 100 public universities across the nation that provides experiences where young people learn by doing. Kids complete hands-on projects in areas like health, science, agriculture and citizenship, in a positive environment where they receive guidance from adult mentors and are encouraged to take on proactive leadership roles. Kids experience 4-H in every county and parish in the country—through in-school and after-school programs, school and community clubs and 4-H camps.

### Interested in 4-H Youth?

For more information on CCE Rockland 4-H Youth Programming visit:  
[www.rocklandcce.org/youth](http://www.rocklandcce.org/youth)

### For more information contact:

Kristin Ruggiero  
4-H Youth Development Educator  
Phone: 845-429-7085 ext. 103  
Email: [klf37@cornell.edu](mailto:klf37@cornell.edu)

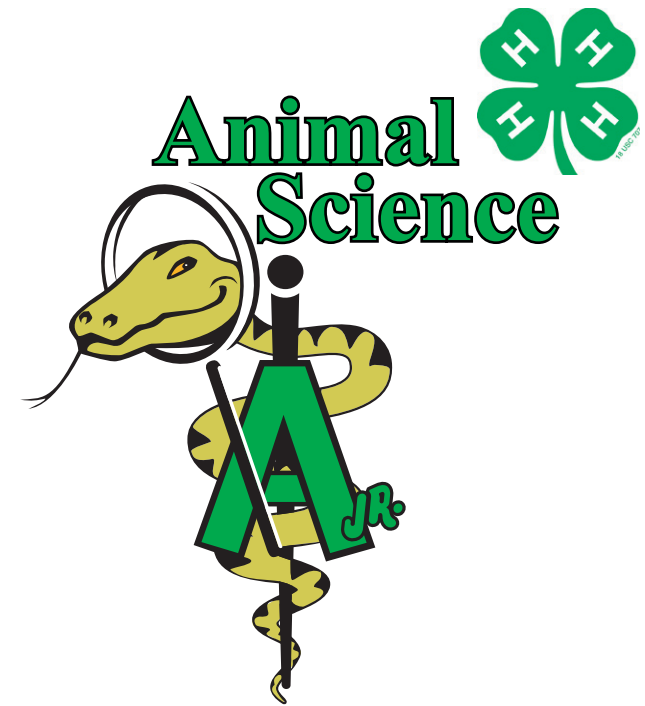

### 4-H'ers are...

<b>4X</b>	more likely to give back to their communities
<b>2X</b>	more likely to make healthier choices
<b>2X</b>	more likely to participate in STEM activities

*Space is Limited, Apply Early!*

**Cornell Cooperative Extension**  
**Rockland County**

**The 4-H Junior Animal Science Program**, sponsored by Cornell Cooperative Extension of Rockland County, is designed to give middle school youth an opportunity to *explore animal science careers and concepts beyond veterinary science.*

**In this 6-session series, participants will:**

- Visit local animal-related organizations
- Engage in hands-on activities
- Interact with professionals
- Gain insight into career opportunities
- Develop knowledge about animal care and behavior

*Parents/guardians of youth are responsible for transportation to and from session locations. All sessions will take place rain or shine – please dress for the weather. \*Schedule is subject to change\**
