

RFA's Education Programs at Cropsey Community Farm

The Rockland Farm Alliance (RFA) is a non-profit organization seeking to reclaim and preserve agricultural land in Rockland County. RFA's largest farm, Cropsey Community Farm, located in New City, NY, runs an educational program to instruct young and old alike on the benefits of supporting local, sustainable farms. We host school classes, girl/boy scout troops, private events, and family tours.

RFA would love to have you visit our farm – to learn, explore, and get your hands dirty!
