Annual Christmas Tree Sale

Fred the Tree Man is back with his usual huge selection of beautiful fresh grown FRASER FIR Christmas trees, wreaths, garland, cemetery pieces, and greens.

Select from Fred's Private Stock!

Fraser fir has become the Christmas tree of choice by people that want that "perfect tree" - long lasting, with a wonderful aroma, a dark green/bluish color, and firm branching to hold all those delightful ornaments (and whose branches do not prickle the hands when touched!)
