What is a Venturing Crew?

Venturing is a coed youth led group for ages 14 (or finished 8th grade) up to 21. It gives teenagers the opportunity to plan fun events and activities that the whole crew can do together. Whether you're into the outdoors, serving your community, or trying new things there is something for everyone in a Venturing Crew.

Some past activities we've done are:

- Hiking
- Weekend camping trips
- Boston Historical tour (Freedom Trail)
- Ice skating at Bear Mountain
- Halloween movie night
- Horseback Riding
- Kayaking
- Broadway shows
- Ziplining
- Community service
