***** DUE TO THE PANDEMIC and lack of gym space the season may not occur. If we receive enough registrations to man teams we will try our best to find gym time and/or merge with another parochial school. Please return your registration/s ASAP to the school office to determine how many players we will have to form teams. Please note: ONLY Grades 5-8 (boys & girls) will have a season this winter. Grades 3/4 season is postponed until Spring.**
