OUR STUDENTS AND THEIR VISION OF THE FUTURE...

a world together in peace

a world with no pollution

getting a great job as an architect

helping to stop global warming

helping children in need

a cure to cancer

ending world hunger

HOW CAN WE PREPARE OUR STUDENTS FOR THEIR FUTURE?

- Renewed and reenergized to begin the year.
- 4 C's provide the foundation for teaching and learning- critical thinking, creative problem solving, collaboration and communication.
- Local and global citizenship in a supportive learning environment.
- Meeting the needs of all learners.
