

5th Graders!

We will be helping the PTA work on a very special project and we need your help!

We need YOU to bring in a rock to paint. We will provide the brushes and paint! Our goal is for every 5th grader to paint a special rock during the week of May 17th, and we will be placing them around the PRMS Campus sometime after that!!

Here's what to do:

1. Find a small rock. (no larger than your hand!)
2. Thoroughly wash the rock and dry it.
3. Bring your rock to your HOMEROOM no later than **Friday, May 14th.**

Thank you from the 5th Grade Team 😊
