to Rockefeller Center to study
urban communities.

December 25- Jan 1st winter
recess: Happy Holidays!!

We Are Learning About...

Reading: In reading the students are learning all about nonfiction books and the features that make a nonfiction book nonfiction; like real photographs, text boxes, diagrams, labels, tables of contents and glossaries.

Writing: Students are working on a unit in which they get to show readers all the cool things they are experts on. In this nonfiction unit we are learning how to take care of pets, siblings, play our favorite recess game or video game!

Math: Students are learning all about data. They will learn how to read and understand different surveys and graphs. They will also create and take each others surveys and graph their own data!

Social Studies: Students are learning all about the different winter holidays that are celebrated around the world. Students will pretend to go on an airplane and travel from country to country learning about their traditions and celebrations.

Science: The first unit in science is rocks and minerals

Homework:

Please check your child's homework folder and/or notebook for new words, math worksheets, important letters and trip permission slips. **Please remember to read with your child for at least 20 minutes a night and fill in your reading log!**

Please remember your teacher is available to meet by appointment on Tuesday afternoons from 2:40pm-3:10pm for any questions and concerns.
