Contact *PTA Sue Corlett if you can be a chaperone

Minimum # of registrants is 8/Maximum # of registrants is 16

HOBBY QUEST'S MAGIC MYSTERIES

What could be more fun than learning tricks that will amaze your friends and family? You'll love the look on their faces when they can't figure it out! You'll perform "the legend of the toothpicks", "mind reading" and "mummy mystery" tricks, in addition to many more. This program is not only fun, but many of the tricks reinforce important math concepts. After you master all the tricks, you'll get to perform them for your family and keep the magic tricks for many more magic shows to come. Abracadabra-will they solve the mysteries, or will you transform into a Magic Mysteries Magician?

It's Magic! Learn it! Perform it! Keep it!
