I can tell you a time there were bears at our cabin. Up at our cabin there were bears. A long time ago

PaperTrailDesign.com

my dad and my grandma and grandpa went up to the cabin and decided to clean out the cupboards.

papa started to make breakfast outside on the fire. Then they heard a strange noise. Daddy decided to

go look up in
the forest but he
did not see anything
in the trees.
Daddy came back
down by the cabin

fire. Then they
heard that
strange noise again
They looed up and
there were 2 cud
bears eating up

up on her hind
legs like she
said that is close
enough do not
get any close
to my babies! then
