Special Education*

April 1, 2020

Dear Steger School District 194 Families:

On March 31, 2020 Illinois Governor JB Pritzker announced that remote learning in Illinois will be extended through April 30, 2020 in order to slow down the spread of COVID-19.

During this time, on-site learning will remain suspended but SD 194s' commitment to learning and education will remain open and learning will continue for all students - just through a different format.

While it is not ideal, we want to assure you that at SD 194, our teachers and staff are fully engaged and willing to take on this new challenge and push forward with remote learning, engaging with students and continuing with our food distribution program.

We know this is not the school year that any of us imagined, but we want to thank you for your patience and understanding as we have dealt with this unprecedented situation together.

As a recap, here are the three priorities for our leadership and planning moving forward:

- Priority 1** - Feed and care for the extended safety, health, and welfare of students, families, non-student children, staff, and the community at large.
- Priority 2** - Communicate clearly; share coherent, organized and controlled messages with our staff, students and community.
- Priority 3** - Provide for the continuity of learning in SD 194.

It's important we continue to work together and support our students.

Thanks again and please be safe!

Sincerely,

Dr. David T. Frusher
Superintendent of Schools

To ensure all students, staff, and stakeholders learn and grow together as a community
