Safety Meeting

September 22, 2021 7:30 am

- **Celebrations** : Arrival and dismissal procedures are going smoothly; bussing has been successful for most students
- **OORS update** : New summary of data available for updates; one incident in OORS; everything has been going smoothly
- **Drill update** : our fire drill was successful yesterday 9/21/2021; 6 more evacuations by December; one lockdown by 10/31 and end of December needed
- **Covid-19 update** : Mayor's decision with new quarantine requirements; Chancellor sent out a letter 9/21/2021 that will be sent home to all families by backpacking it with students; Weekly testing will continue for those who opted in and are not vaccinated. No staff will be tested. Yet if a staff member needs to be tested due to being unvaccinated then the testing can be requested in school. This will end as of 9/27/2021.
- **Building Update** : During the fire drill yesterday Mr. Hattenrath, school custodian, discovered that there was a problem with the horns and strobes on the 1st floor and near the gymnasium. There

was an emergency request put in and a team would be in the school on 9/22/2021. The team will test and check that the alarm is working properly. Staff concern: Is spraying happening every night? Bob responded that spraying is every evening and the solution is the same. Different people are spraying different areas.

- **Safety Plan:** Safety plan is updated; Relocation sites: John Bowne confirmed; PS 164 out of area relocation site confirmed; PS 164 asked for us to be their relocation site; We are waiting a response from Townsend Harris
