# Menus for NOVEMBER 2020

Due to Covid-19 shortages menus are subject to change.

## Heroes in APRONS?!

You'll forgive us if we think the folks who work on the front lines of our child nutrition program always make heroic efforts to feed our kids. But that's never been more true than right now. The dedicated men and women who prepare and serve our meals make daily sacrifices so all of our community's students can eat well, every day. During this month of giving thanks, please join us in showing your appreciation for the work they do. And in an apron, no less!
