

STARBASE Indiana – VESTA (Virtual Education STEAM Academy) is offering a FREE Virtual Summer Camp!

*Camp VESTA activities are designed for 5th to 9th grade students, but everyone is welcome.
Participate in any or all of the at-home, hands-on STEAM challenges, individually or with your family!
New video demonstrations and fun STEAM challenges will be available each day.
Daily virtual field trips connect you with STEAM partners throughout the state.
A supply list, comprised mainly of items around the house, will be posted ahead of time so that your camper will be ready to participate in experiments and activities.*

Camp runs **June 1st through June 25th** (Monday – Thursday each week)

To participate simply visit our Facebook Page for our daily activities!
