Dear Class of 2020, Senior Parents/Guardians, and PRHS STAFF:

Due to the forecast of today's inclement weather, today's graduation exercises will be postponed until our 1st rain date scheduled for Monday, July 13, 2020. All plans regarding time and logistics remain the same and thus students should arrive Monday at PRHS as per their ceremony (3:15pm arrival for the 4pm ceremony, and 6:15 for the 7pm ceremony). We are saddened that the cancellation of today's commencement is necessary, but we look forward to our celebration of the PRHS CLASS OF 2020 next week. If additional communication is necessary, this will occur through the school messenger system and via our PRHS webpage.

Regards,

Michael J. Murphy
Principal
