Ever!!
- 5th Shortest Poem About The
Flag:)

My Thoughts.

I am me

I am a brother, son , nephew, cousin.

I am a hunter, bullrider, roper, basketball player,
Football player, and an American citizen!

I like hunters, fishers, bull riders, football
players,
basketball players, and I like everyone.

My family is basketball players, hunters,
campers,
fishers, and dumb ole TV watchers!

They like basketball, hunting, camping, fishing,
and watching dumb little figures dancing around
in a dumb ole TV.

My family is my family and I am me.

Hunting Time

Grab your seventeen get in the truck.

You better hurry or we'll get stuck!

But if you are not a good shot then,
Don't come because I would rather be
done! I could find a better hunter. Hey
that ole Matthew Sins a good ole hunter.

We kill about eighty-seven rabbits. And
we have only been shooting for forty
minutes.

And we have four hours left!
Now it's time to go grab the last forty-six
and we have to run.

Henry!! WE ARE DONE!

So we get in the truck and got and now
I'm heading to town because he shot the
floor of that dang truck!

The Bull Riding Rodeo

Rossen your rope nice and sticky,
because you'll need it for Ole' crazy Ricky.
Bare down to that crazy bull and nod your
head to win the bull riding rodeo.
After you clear eight seconds, jump down,
And "RUN!"-Get Up!! Of the ground before you
get a pound.
Then throw your hat in the air and run all
around!

Now it's time to go so grab your bag and let's
get on the road.
We speed down the road to McDonalds grab a
burger and on to ride ole Serger.

Now it time I go to Texas and spin Mr.xes.
We win and roll that is are rodeo.

Shortest love poem ever!!

We live to love to create a journey.

My love is so strong I go on a journey,

I'm getting married to a beautiful Attorney.

**We go on a cruise South Asia and around the border
to Malaysia.**

Well life is wonderful in both Asias!:)

The Shortest Poem About The Flag:)

Stand up put your hand on your heart and stare.

Stare you ask..well... geeze the Flag?

With 50 stars and stripes... Ring a Bell..

Well it's very friendly. It sways in the wind to talk to you.

IT'S THE AMERICAN FLAG!!
