

# The SGL News

## School for Global Leaders Mission Statement

School for Global Leaders is a nurturing and academically challenging learning environment for all. Alongside families, community members, and international organizations, our students engage in authentic, relevant, and rigorous interdisciplinary learning opportunities that help them evolve into open-minded, reflective, and joyful lifelong learners. With a strong foundation in intercultural understanding, compassion, and respect, Global Leaders advocate for change and promote peace in the world.

## LAST WEEK IN THE NEWS

Students were busy taking their MAPP Growth Assessment in ELA and Math class last week. This week we will be conducting make-up exams. As soon as we conclude the assessment administration we will share results with students and families.

### This Week in the News:

We will begin discussing high school options with 8th-grade students and reaching out to families for after-school and before-school tutoring and extracurricular activities.
