Upcoming Events in May

Dear Families,

On Friday we hosted two successful school wide events. The morning started off with our theater and music elective showcase event. Both groups did an amazing job entertaining the entire school and some parents.

The day concluded with PIE Day. Some SGL staff members volunteered to get PIE'd in the face to raise funds for our 8th graders.

Reminder:

Please make sure your child takes their AT-HOME COVID TEST before returning to school tomorrow.

Announcements:

The District 1 Art Festival will run through June 1, 2022, several of our students' art pieces are up in the gallery. Please stop by to show your support for our SGL artists.

Community Projects: All students will begin a Community Project. It is a Service to Action Project, please ask your child about their project.
