

The Greenburgh Eleven UFSD seeks a dynamic educator as Superintendent of Schools beginning July 1, 2022.

Greenburgh Eleven is a Special Act School District serving residents of The Children's Village ages 5-21, in Dobbs Ferry, NY and day students who because of special needs can no longer be educated in their home districts.

We are passionate about education and have high expectations for our students, and we are committed to academic excellence and social and emotional learning. We help youth develop the attitudes and skills needed to live productive lives and successfully pursue advanced learning or enter the workforce.

Greenburgh Eleven is a small school district at present serving approximately 135 predominantly male students K-12, all of whom arrive at our school having faced multiple challenges and almost all of whom are minorities. We are currently completing a major capital project that has beautifully enhanced our physical space and will, we anticipate, increase our enrollment. Our administrative team consists of an Acting Superintendent, an Assistant Superintendent for Business, and an Acting K-12 Principal. We have 24 teachers, and 23 teacher associates and monitors 4 psychologists and counselors and 8 support staff.

The candidate we choose will be a visionary leader who shares our passion and has experience with special education and with a diverse student body. We seek a strong but flexible and collaborative decision maker; an effective communicator and good listener who is energetic and puts a premium on high quality and relevant staff development. Our new Superintendent will be the district's instructional leader who recognizes the need for deep student engagement and a curriculum that is relevant to our students needs. The chosen candidate must also have strong financial, management, and advocacy skills.

- New York State School District Leader or School District Administrator certification is required.
- Central Administration experience preferred.
- Residence within 30 miles of Dobbs Ferry, NY is preferred.
- A contract of three years and a regionally competitive salary depending upon years of experience will be offered.
- Greenburgh Eleven is an equal opportunity/affirmative action employer.
