GREAT EXPECTATIONS

We see each student as an individual, with a unique set of skills and strengths. Our goal is not only to prepare them for the future, but to ensure that our students enjoy the journey.

Mahopac Central School District aims high. We strive to graduate students who are innovative, curious, compassionate, resilient, exceptional problem solvers and critical thinkers. We do it by offering a broad array of learning opportunities, including college credit courses, technical education courses and advanced learning. It all takes place in a district known for its performing and fine arts offerings, as well as its outstanding athletic programs.
