

# ELVES NEEDED!

We at **Gentle Giant Brewing Company**® are partnering up with the **American Cancer Society**® **Rockland Relay for Life** and the **Hope Lodge**® in New York City to produce the **1<sup>st</sup> ANNUAL 2019 Santa's Workshop** here in **Pearl River NY!**

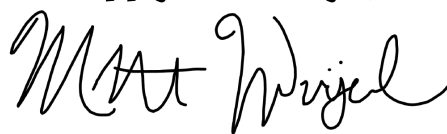

Well, what is Santa's Workshop? Santa's Workshop is a section of Gentle Giant Brewing Company that will allow children and adults to **build DIY toys and ornaments** during the month of December on **Saturdays and Sundays from 12pm to 4pm** until Christmas Eve. The space will also have enough room to write letters of well wishes this holiday season. On Christmas Eve, all of the letters and toys will be gathered up and will be **donated** to the children and adults that are currently receiving treatment for cancer related illnesses at the Hope Lodge in New York City.

**How can you help? Its simple!** We just need some people to **donate a little bit of their time** this December to staff the workshop and assist all of our well wishers in building small toys and ornaments and **maybe one of our local first responders will help us in delivering all of these toys and cards** to the Hope Lodge! If you cannot donate your time, we will always accept a toy to donate on your behalf!

If you or know someone interested in lending some hours this **holiday season** please send us an email at [matt@gentlegiantbrewing.com](mailto:matt@gentlegiantbrewing.com) !

**Let's help brighten the season for all!**

**Happy HOLIDAYS,**
